

16. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
17. Dogs in cars on hot days - Kennel Club Show Schedule Notices.  
Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the dogs and don'ts travelling to and whilst at KC licensed events.  
\* When travelling to a show please take a moment to consider whether the route to the Show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.  
\* If your vehicle is not air conditioned seriously consider whether travelling to the Show is a good idea at all.  
\* The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.  
\* Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.  
\* When at the show, never leave your dog in the vehicle.  
\* Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.  
\* Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.  
Remember, if you feel hot, your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dogs welfare.  
**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**  
Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog's welfare, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.  
Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.  
Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entry.  
18. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.  
19. All exhibits must be the sole and unconditional property of the Exhibitor in whose name they are entered at the time of the entries closing.  
20. The Judges awards shall be final except in the case of fraud or misrepresentation or where a bona fide mistake has been made by the Judge. No alteration of the awards may be made after the day of the Show without specific permission of the Kennel Club [vide KCSR 32k]  
21. Should a judge be prevented from fulfilling his/her engagements, the Committee reserve the right of appointing a substitute. Exhibitors may withdraw from competition, but no entry fees can be refunded.  
22. Exhibitors will be responsible for ensuring that their dogs are available when required for judging. If a dog is not available when required, the Committee will not be responsible for its absence from the ring.  
23. You are required to clean up any fouling by your dog. Any infringement of this regulation will be reported to the Show manager who will take such action as is seen fit.  
24. All persons attending the Show must compensate and/or indemnify the Society for any loss or negligence by any person under the age of 18 who is brought by them to the Show for whom they are responsible.

- The Committee reserves to itself the right to refuse entries.
- Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
- The mating of bitches within the precincts of the Show is forbidden.
- BEST PUPPY IN SHOW** - Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same Show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed, Best in Group or Best in Show is a puppy it will also automatically be Best Puppy in Breed, Best Puppy in Group or Best Puppy in Show respectively. Similarly, if the Reserve Best in Group or Reserve Best in Show is a puppy it will also automatically be Best Puppy in Group or Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed, Best Puppy in Group or Best Puppy in Show must follow the selection of Best of Breed, Best in Group or Best in Show respectively. Best Puppy in Group and subsequent puppy group placings must be selected from those puppies which have been judged and which are unbeaten by any other puppy. Best Puppy in Show must be selected from the Best Puppy in Group winners provided they are unbeaten by any other puppy. Puppies which become eligible for Best Puppy in Group and Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes or Best Puppy in Breed prior to the competition for Best Puppy in Group and Best Puppy in Show as appropriate, in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Group or Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition. Puppies may be withdrawn from Any Variety Classes when judged before Breed classes.
- Proviso**. For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed, will not be considered to be beaten by any other dog exhibited at the same Show. **BEST IN SHOW**. The dog declared Best in Show is a dog which has competed and is unbeaten by any other dog declared from those exhibits which have received an award. Where separate classes are provided for each sex of a breed a Best of each Sex must be selected from which the Best of Breed must be declared from those exhibits which have received an award. Best in Group and subsequent group placings must be selected from: [a] The Best of Breed winners in each Group provided that they are unbeaten winning dogs. [b] The best unbeaten winning dog from the Any Variety Not Separately Classified classes in each Group or on each day. Best in Show must be selected from the Best of group winners provided they are unbeaten. Reserve Best in Show must be selected from the remaining Group winners following the selection for best in Show. Dogs which become eligible for best of Group and Best in Show may be withdrawn from all other competition, other than breed classes and Best of Breed prior to the competition for Best of Group and Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best of Group or Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition. Dogs may be withdrawn from Any Variety Classes when judged before Breed Classes.
- Proviso**. For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs. Exhibits will not be admitted to Group or Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
- No modifications will be made to the schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
- All exhibitors must be familiar with Kennel Club Regulation F (Annexe B) - Regulations for the Preparation of Dogs for Exhibition.

Note: Committee Members and Officers do not handle at our shows.

Please bring your own chairs as we cannot guarantee enough seating. No exhibitors will have access to the hall before 8.15am. Once the allocated cage area is full, there will be no other cages allowed in the hall. Please take note of the 'Not before times' - these will be strictly adhered to.

## DEFINITION OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class. (i.e. 24th October 2017).

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of what ever value. A dog is not eligible for entry in Variety classes unless also entered and subsequently exhibited in a Breed class where such a class is provided for which it is eligible. Exemptions from this regulation are: [1] A puppy, unless a class for dogs under 2 months of age for which it is eligible is provided for the breed.

[2] A dog in Any Variety Veteran class. [3] As provided in Kennel Club Definitions of classes. [4] A dog which is withdrawn from exhibition in breed classes as a result of the appointment of an emergency judge. If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

### WITHDRAWAL

The dog may be withdrawn from competition subject to the conditions of Regulations 9(j) and 20.

### TRANSFER

(a) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy, Puppy and Junior excepted to the Open class for the correct breed, colour, sex, weight or height.

(b) For an exhibit entered incorrectly in a Minor Puppy Class, Puppy Class or Junior Class which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct colour, sex, weight or height or in the event of there being no Puppy, Junior or Yearling Class to the Open Class for the correct colour, sex, weight or height.

(c) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct breed, colour, sex, weight or height.

(d) If an exhibitor arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

### PUPPY

For dogs of six and not exceeding twelve calendar months of age on the first day of the Show.

For dogs of twelve and not exceeding twenty four calendar months of age on the first day of the Show.

### NOVICE
